CHURCH HISTORY

On October 20, 1886, a grand celebration of 2,000 people marked the opening of a new Dominican school and parish hall. By the 1850's, the public school movement emerged as an essential component of American life, but conflict developed between the Catholic hierarchy and public schools--especially over the issue of Teaching the Protestant Bible. At the meeting of American Bishops in the First Plenary Council of Baltimore in 1852, the concept of parochial schools emerged as "indispensable to secure faith and morals among Catholic children."

MASS INTENTIONS AVAILABILITY

It is thought that a single Mass offered for oneself during life may be worth more than a thousand celebrations for the same intention after death.

Dates beginning in early October 2021 are available now. Contact the Parish Office, Monday through Friday, at (202) 554-7863 or email us at StDominicChurch.org.
